PIM: Extra Game Fees

PIM 2009-003: Extra-Game Fees

The purpose of this PIM is to clarify fees applicable to certain refereed games that exceed the budget afforded each MVLA Team in their seasonal MVLA dues.

Policy Interpretation:

1. Seasonal MVLA dues cover the field and referee fees to host up to six (6) Home games for one authorized Playing League on MVLA fields, plus an unlimited number of non-refereed scrimmages.
 - a. On occasion, MVLA teams may be assigned 4 or 6 Home games in a given playing league for a given season. When this happens, no refunds or extra-game fees are issued; it is expected that over time 5 games shall be the average.
 - b. Authorized Playing Leagues as of the date of this PIM include: CYSA Cal Soccer League (CCSL), Redwood, GSSL, State Premier League, or any other officially recognized CYSA Playing League; US Club Soccer Norcal Premier Playing Leagues; US Youth Soccer Regional or National Leagues.
 - c. Certain leagues or age groups within leagues may charge extra fees for hosting MVLA Home games at central or neutral sites. In this case, the MVLA Team is responsible for paying any applicable extra fees above and beyond the base MVLA fee.
2. Any refereed games above this base budget shall be considered Extra Games and shall incur additional fees per the Extra-Game fee schedule found in the Addendum to this PIM. Types of Games considered Extra Games.
 - a. Away at Home Games: these are games officially slated as Away games for an MVLA Team, but both opponent and MVLA team have arranged to host the game at an MVLA field.
 - b. Norcal State Cup (NCSC) Games: these games are slated by NCSC as Home games for the MVLA Team.
 - c. Official League Games in Additional Leagues: these are league games outside the Team's primary seasonal Playing League, as may happen when an MVLA Team signs up to play in more than one authorized Playing league at once. For example, if a team plays in CCSL and Norcal Fall League (NCAL) simultaneously, MVLA dues shall cover their CCSL Home games, but all NCAL Home games shall incur Extra-Game fees.
