PIM: Late Cancellation

PIM 2009-001: Late Cancellation

The purpose of this PIM is to specify when a Game Change Request shall be considered a LATE CHANGE. Any game that is MOVED, FORFEITED or CANCELED after the change deadline will be counted toward the team's home game allotment. The MOVED game or any game ADDED to make up for the forfeited or cancelled game, will be considered a new game and fees may apply (see separate PIM listing Extra Game Fees)". Late changes and late cancellations negatively affect MVLA's ability to assure referees for our games, cost MVLA extra referees fees, and may waste field capacity.

Policy Interpretation:

1. Any MOVE, FORFEIT, OR CANCEL of a game made after 5:00 pm on the Friday of the weekend prior to kickoff will be considered a LATE CHANGE. (8 -10 days before the kickoff depending on if the game is scheduled for Friday, Saturday, or Sunday).
2. If MVLA Field Coordinator moves the game, or if there is a rain-out, fines will not apply.
3. Late ADDS are at the discretion of the Field Coordinator because they run the high risk of not being uploaded to the Master Game Allocation or to Arbiter in a timely manner or, even if uploaded, may not get referees due to short notice. Any changes to these ADDS will, of course, be considered late and will be subject to any applicable Extra Game Fees as specified in the PIM for Extra Game Fees.

This PIM is referenced in MVLA's Team Manager Handbook, in the section describing Team Manager/Coach Responsibilities and on the website under Fields.
